TO THE SPORT CANADA ATHLETE ASSISTANCE PROGRAM (AAP)
FOR THE 2022-23 CARDING CYCLE**

*Published: JUN/23/2022
Approved by Sport Canada: MAY/31/2022*

PREAMBLE

The Athlete Assistance Program (AAP) is a federal government grant program that provides direct financial assistance to Canadian high-performance athletes and is one of three Sport Canada programs ([Funding-Sport](#)) designed to assist in the development of high-performance sport.

The AAP contributes toward improved Canadian performances at major international sporting events such as the Olympic/Paralympic Games and World Championships.

The AAP recognizes the commitment that athletes make to the National Team training and competitive programs provided by their NSO and seeks to relieve some of the financial pressures associated with preparing for, and participating in, international sport. The AAP financial assistance provides support to athletes in the form of a living and training allowance, plus tuition and supplementary AAP support.

The living and training allowance is intended to offset some, but not all, of the living and training expenses athletes incur as a result of their involvement in high-performance sport, while tuition support is intended to help athletes obtain a post-secondary level education. The AAP is the only Sport Canada program that provides direct financial support to athletes.

Eligible Athletes who are approved for funding and are financially supported through the AAP are referred to as carded athletes. AAP support is also known as carding.

SPECIAL NOTE REGARDING COVID-19 PANDEMIC

Bobsleigh Canada Skeleton (BCS) is carefully following the evolution of the coronavirus (COVID-19) and how it may impact the 2022-23 BCS NBP AAP Carding Criteria and corresponding nominations. With the approval of Sport Canada, BCS reserves the right to modify the published 2022-23 BCS NBP AAP Carding Criteria based on the best available information. Any modifications will be made promptly and will be communicated to all affected individuals as soon as possible.

1. OVERVIEW & INFORMATION

1.1. Carding Types and Levels

Senior International Cards (SR1/SR2)

Senior International Cards are funding for athletes who achieve the Senior International Performance Standards (SIPS), as set out by Sport Canada, at World Championships (WCh) or the Olympic Winter Games (OWG). The following are the current SIPS:

- 1.1.1.** Finish in the top 8 (eight), counting a maximum of 3 (three) entries per country;
and
- 1.1.2.** Finish in the top half of the field.

Senior National Cards (SR)

Senior National Cards are funding for athletes who demonstrate potential to achieve the SIPS.

Development Cards (D)

Development Cards are funding for younger athletes who demonstrate potential to achieve the SIPS but are not yet able to meet the Senior International Card or Senior National Card criteria.

1.2. Monthly Living and Training Allowance(s)

Athletes nominated by the High Performance Director (HPD) and approved by Sport Canada will receive a monthly living and training allowance, as applicable, from Sport Canada according to carding status. This allowance is usually paid in advance every two months.

Carding Status	Monthly Allowance
Senior International Cards (SR1, SR2)	\$1,765
Senior National Cards (SR)	\$1,765
Development Cards (D)	\$1,060

1.3. Only Olympic Program Disciplines Considered

Athletes in Olympic sports are eligible to be nominated for AAP support based on their participation and training for events that are on the Olympic program. Athletes in Olympic sports competing in World Championship events that are not on the Olympic program are not eligible for carding based strictly on performances in those events.

For the avoidance of doubt, only results from disciplines on the Olympic program are eligible for consideration for nominations to the Sport Canada AAP.

1.4. Definition of "Competed"

For the purposes of this BCS NBP AAP Carding Criteria, athletes are deemed to have competed if they were registered, entered and intended to compete, but were unable to complete the competition because the athlete:

- 1.4.1.** was disqualified (DSQ) for any reason other than an Anti-Doping related infraction;
- 1.4.2.** did not finish (DNF) because of a crash or other incident; or
- 1.4.3.** did not start (DNS) for health, equipment or similarly related reasons.

For the avoidance of doubt, if the athlete DNS because the athlete refuses to compete other than for the reasons set out above or was removed by BCS from the competition because the

athlete was not in good standing with BCS, for disciplinary reasons or for having breached BCS policies, then the athlete will not be deemed to have competed.

1.5. Process

The HPD is responsible for nominating eligible athletes to the AAP. Sport Canada reviews all nominations put forward by the HPD and approves nominations in accordance with the [Sport Canada AAP Policies and Procedures](#) and this published and approved BCS NBP AAP Carding Criteria.

2. NBP AAP CARD QUOTA

The NBP AAP card quota is allocated by Sport Canada on the basis of a number of Senior International Cards. For the 2022-23 Carding Cycles the NBP is allocated a quota of **22 Senior International Cards**, equivalent to a maximum monetary value of **\$465,960**. Eligible athletes are nominated for Senior International, Senior National and/or Development Cards according to this BCS NBP AAP Carding Criteria, up to the maximum monetary value of the NBP AAP card quota.

Sport Canada regularly reviews carding quota allocations for all sports; therefore the NBP AAP card quota allocation is subject to change from time to time. If the NBP AAP card quota allocation differs from that mentioned in this document, the HPD will inform the athletes as soon as possible.

3. NBP AAP CARDING CYCLES

Because of the nature and schedule of the sport of bobsleigh, BCS utilizes 2 distinct NBP AAP carding cycles to nominate athletes to the Sport Canada AAP:

- Pre-Season Carding Cycle: July 1st – October 31st; and
- In-Season Carding Cycle: November 1st – June 30th.

A "Carding Period" is defined as July 1st – June 30th.

An athlete is deemed to be carded for a "Year" if that athlete's nomination has been approved for funding and the athlete is financially supported through the AAP for four [4] months or more in any Carding Period.

4. CARDING ELIGIBILITY

4.1. Athlete Eligibility

To be considered for nomination and to maintain eligibility for AAP carding, athletes must at all material times be current National Bobsleigh Program Athletes ("NBP Athletes"), specifically to be a NBP Athlete, athletes must:

- 4.1.1.** be a member in good standing of BCS with current National Team Athlete status having a valid fully executed BCS Athlete Agreement, committed to a BCS approved Individual Performance Plan (IPP), as applicable, paid all outstanding fees owing to BCS and meeting such other associated obligations from time to time;
- 4.1.2.** unless a written exemption is requested by the Athlete to, and granted by, the HPD in advance, participate in and have participated in and/or competed in all required events, camps and/or competitions in the 2021-22 and 2022-23 Seasons to which the athlete was selected to participate, including:
 - NBP camps;
 - Canadian Championships;
 - International Competitions (OWG / WCh / WC / ICC / NAC and/or EC); and
 - Such other mandatory events as may be notified to the athlete from time to time in advance; and("Season" means the 12 month period from April 1st through March 31st annually)
- 4.1.3.** be eligible:
 - to compete for Canada at applicable international competitions under [IBSF eligibility rules](#); and
 - under Section 2.3 (Athlete Eligibility Requirements) of the [Sport Canada AAP Policies and Procedures](#).

4.2. Maximum Eligibility Length

In order to maintain carding at the Senior National Card (in any combination of SR and/or C1) and the Development Card levels, athletes are expected to improve each Season and eventually achieve the SIPS. An athlete may be carded at each of the Senior National Card (in any combination of SR and/or C1) and the Development Card levels, respectively, for a ***maximum of 5 Years***.

After the 5 Year maximum, only those athletes who demonstrate Season-to-Season improvement, as well as progression toward, and future potential to achieve, the SIPS, will be considered by BCS for further nomination to the AAP. Sport Canada will review such nomination and, in discussion with BCS, determine whether additional support at the relevant card level is warranted.

Note: In order to ensure equality of opportunity to demonstrate improvement, progression and potential, consideration will be given to athletes who miss significant portions of a Season, WCh or OWG because of reasons encompassed in **section 6.**, whereby the 5 Year maximum may be extended by up to one additional Year at the sole discretion of BCS.
